

Cell types

- |                   |                          |                  |
|-------------------|--------------------------|------------------|
| Endothelial cells | Smooth muscle cells      | Langerhans cells |
| T-cells           | Basal keratinocytes      | Melanocytes      |
| B-cells           | Suprabasal keratinocytes | Unknown          |
| Macrophages       | Fibroblasts              |                  |
