

Cell types

- |             |                     |                          |
|-------------|---------------------|--------------------------|
| Macrophages | Endothelial cells   | Fibroblasts              |
| T-cells     | Basal keratinocytes | Melanocytes              |
| B-cells     | Smooth muscle cells | Suprabasal keratinocytes |
| Unknown     | Langerhans cells    |                          |
